

Marx Bagels (est. 1969) provides personalized menu solutions to coffee shops, bagel shops, cafés, schools, large grocery chains, farmer's market, or any establishment that values high quality kosher bagels & spreads. Our items are made with quality ingredients, traditional baking processes, and authentic roots.

Marx Bagels are made from high gluten, unbleached flour, and contain no preservatives. Our bagels are boiled in water, baked on stone shelves and no contain no butter or oil.

Our wholesale partners value the opportunity to carry locally-made, quality bagels that please a broad population while also allowing them to gain additional business by serving the kosher consumer.
